MEET OUR NEWEST FACE!

Please welcome the newest addition to our staff, John Andersch, Recreation Assistant. John was born and raised in Concord and is an alum of CHS and Plymouth State University. Throughout his youth, John was an avid sportsman, focusing primarily on baseball, which he pursued during college. While in our employ, Mr. Andersch hopes to help residents utilize our many parks to their fullest potential, as well as help increase participation in our countless programs. During his time off, this fresh face can be found enjoying long walks on the beach soaking up the sun and taking in the views. If you stop by our office, feel free to give John the warmest of welcomes!

DON'T FORGET! IT'S BACK!

The annual Weekend on the Water is coming back to Concord on September 12th & 13th. Organized by the Rotary Club of Concord, in partnership with Concord Parks and Recreation, this two day event will have something for everyone.

Celebrate Concord's stretch of the Merrimack River; participate in the exciting dragon boat races; watch beautiful rowing shells speed down the river as several schools compete in the Concord Crew regatta; take a tour of the city in one of Boston's Super Tour Duck Boats; enjoy a craft brew at the Capitol Cup Brewfest; listen to local musicians; and cheer on your duck in the rubber duck race!
